

U. S. S E N A T O R

David Vitter

Attending a U.S. Military Service Academy is an honor that is offered to only a few outstanding students. The 2006 Academy Day is your chance to meet with Senator Vitter and Representatives from each of the five academies. This forum will provide you with the opportunity to ask your questions directly, which will in turn enable you to make a more informed decision regarding the possible future of a military education.
